

2020-2023 MECDC SPONSOR FORM

Murrysville Economic and Community
Development Corporation

We would like you to consider sponsoring one of our Theme Banners this year. Your company's name will be on display to the community 24/7 for 3 years on one of the most traveled roads in Murrysville.... Old William Penn Highway!

Theme Banners have given Murrysville a unique identity since 2001. It's our opportunity to showcase why Murrysville is a great place to **LIVE, SHOP, PLAY, and DINE**. This year's design aims to show just that.

Your sponsorship will help the MECDC's mission to improve the appearance, value, and quality of Route 22 and the William Penn District. With your support we can continue to advocate for the businesses and residents who call Murrysville home.

We have limited number of poles available for banners, so we recommend placing your order quickly.

The cost of the banner is \$400 and will be displayed for 3 years. At the end of the cycle your company will be given the banner for your enjoyment.
